The Gay/Lesbian/Bisexual/Transgender members of Phoenix's Alcoholics Anonymous and Al-Anon communities invite you to join us for a weekend of sobriety, serenity and sharing in the beautiful Arizona desert

We are presenting a weekend of exciting Speakers, Workshops and fellowship. There will be key AA speakers Friday night, Saturday night and Sunday Morning. Al-Anon will present speakers Friday night and Saturday afternoon.

General Registration for the Conference includes workshops, meetings and Friday night social hour.

A Value added Conference package includes registration, all workshops, meetings, meals, entertainment and amenities at a savings. Lower rates extend online till February 28.

In tradition, the main speaker meetings (both AA and Al-Anon) are open to all without charge.

In the past, the question rose; "Why should I register, aren't all AA functions only required to have a desire to participate"? We hope to have continued success with our conference, there are many costs associated with creating the event. We rely on all forms of conference registrations and fundraising events created by our committee through the year to be self-supporting

We hope that your registration will be the difference in our success. You can register on-line securely with your credit card and keep up on updates at our website: <http://azspringbreak.org/>
